

5M8 LIONS LINES

JULY

2011

MEET OUR NEW INTERNATIONAL PRESIDENT WING-KUN TAM

Wing-Kun Tam, of Hong Kong Special Administrative Region (SAR), People's Republic of China, was elected president of The International Association of Lions Clubs at the association's 94th International Convention, held in Seattle, Washington, USA, July 2011.

President Tam is the chairperson of a group of air transportation companies.

A member of the Mt. Cameron Lions Club since 1981, Vice President Tam has held many offices in the association, including Campaign SightFirst multinational coordinator and OSEAL recording secretary, District Governor-elect Seminar group leader, SightFirst China Action executive chairperson, 2005 International Convention Bidding Committee executive chairperson and honorary Host Committee chairperson. He has served on the international board for ten years and two years on the executive committee.

In recognition of his service to the association, President Tam has received numerous awards, including the 100% District Governor Award, 21 International President's Awards, the Campaign SightFirst National/Multi-National Coordinator Award, the International Lion of the Year Award (2003) and the Ambassador of Good Will Award, the highest honor the association gives to its members. He is a Progressive Melvin Jones Fellow and Campaign SightFirst Lead Gift Donor.

President Tam and his late wife, Irene, have three children—Alvin, Tiffany and Andrew.

2011-2012 INTERNATIONAL THEME: I BELIEVE

Believe in SERVICE

My goal is to plant one million trees around the world by:

- Continue our successful participation in the Global Service Action Campaign
- Encourage clubs and districts to make tree-planting part of their activities
- Report the number of trees planted on the LCI web site every month, and show pride in what we do by wearing "I planted a tree" buttons

Believe in CLUB MEMBERS

The strength of our organization lies within our clubs, and our members form the basis of our clubs. We will make developing our members a priority by:

- Effective member orientation
- Member involvement from day one
- Club leaders who listen more, and speak less
- Nurturing lasting bonds through service, and treating each other like family
- Promoting My Club, My Family program

Leos

- Enhance our Leo to Lion program by engaging Leos to gain their perspective, solicit their ideas and better understand their needs

Believe in NURTURING OUR FUTURE

To engage our young people we will:

- Promote our Lions Quest program to provide essential life skills to youth worldwide
- Expand youth activities that encourage a positive self image and develop confidence
- Encourage Lions to become role models for children and your adults.
- Increase awareness of the Services for Children program to continue meeting education, shelter and health needs around the world

Believe in LEADERSHIP

Leadership should start the day someone becomes a Lion. To identify and encourage potential leaders we will:

- Listen to the training needs of Lions and provide opportunities to develop and lead through the assistance of the Global Leadership Team
- Promote and encourage use of the lions Basic Mentoring Program
- Implement practical job training for club officers and zone chairpersons
- Encourage the use of online training resources (Leadership Resource Center/Lions Learning Center)
- Communicate opportunities for leadership development with members
- Encourage participation in local and CLI training programs

Believe in PROJECTING OUR IMAGE

Service and effective public relations are connected. The internet and social media are having a real impact on the way we do business and reach our internal and external audiences. This year we will encourage our clubs and districts to not only have web sites, but also have Facebook pages.

Believe in GIVING BACK

We need to emphasize and increase support of LCIF. To accomplish this, we will:

- Increase the understanding of LCIF's programs and their impact on individual's lives
- Promote donations to LCIF from clubs and individuals
- Work with Multiple District and District LCIF Coordinators for donations and promotion

I BELIEVE challenges Lions in districts and clubs to demonstrate their belief by having the courage to make a commitment and take action.

District Governor Sandy Sandwick's Viewpoint

Wow, as I write this I have officially been the District 5M8 Governor for only 5 days and already have a long list of duties and responsibilities which need to be completed ASAP. I have decided to summarize my Seattle memories as follows: **International Convention Highlights:**

- District Governor training was June 30-July 3, convention was July 4-8
- Dr. Wing-Kun Tam from China was elected International President
- Wayne Madden from USA was elected 1st Vice President
- Brian Sheehan from Bird Island, Minnesota was elected an International Director
- President Tam believes that over 1 million trees will be planted by Lions throughout the world during his presidential term; I have pledged 150 trees to be planted in 5M8.
- International Dues increase begins July 1, 2012
- District 1st and 2nd Vice Governors will have added responsibilities with the Global Membership Team and Global Leadership Team
- 2012 Convention will be in Busan, Korea

Happenings during the convention:

- DGs from the MD5M presented me with Charlie, a Lion who will be my traveling companion and will attend most meetings. He will be an Ambassador for smiles. (I noticed that when Lions see him they smile)
- Snowmen are loved by Lions around the world, and the Lions who wore the MD5M snowmen costumes were constantly being asked for pictures and hugs.

Personal Memories:

- At the LCIF booth, having my Governor's patch being reinforced with tape after the stitching came loose, while Past President Al Brandel was observing nearby.
- Having locked myself out of my room, descended 11 floors from my hotel room in stocking feet (but otherwise fully clothed), walking across the lobby to the front desk to get another key; President Scruggs was nearby.
- The group I was with were enjoying a dinner and answering questions "Yes, we are Lions from Minnesota", and realizing the gentleman asking the questions was Immediate Past President E. Wirfs.
- Watching the "raw fish" throw at the Seattle Market Place
 - Spending 20 minutes with the TSA security supervisor at the Sea-Tac airport proving who I was after losing my billfold—therefore having no picture identification-- at the Key Arena (size of the Excel Center)
 - During the International parade, MD5M paraded past the Canadians and sang "Oh, Canada" for them. We sounded good!
 - Becoming new friends with some Lions and renewing friendships with others
 - Seeing over 15,000 Lions from all over the world, gathered together and speaking several languages and dressed in native clothing.....what a fantastic memory

Lions 5M-8 District Governor Sandy Sandwick

Benefits of Promoting Lionism

Actively promoting Lionism in the community comes with several benefits, including increased awareness of Lions clubs in the community, increased awareness of club activities, fundraisers, and projects, increased community support for club endeavors, improved club morale and motivation, increased member recruitment and retention - people want to be part of a meaningful and successful organization

PUBLISHERS CORNER:

Welcome to the 5M8 Lions Lines! A new Lions year and a new look to the 5M8 Newsletter. In the August's newsletter, we will be adding more title areas—some old and some new. We will have an article for both Vice District Governor Dave Thompson and 2nd Vice District Governor Donna Landwehr. We hope that we can keep it interesting, in hopes that you "just can't wait" for the next issue to arrive.

I hope that your summer has been filled with fun and laughter, family and friends, and a whole lot of Lions projects.

Happy Summer—Lion Donna Orstad

5M8 LIONS LINES

FREQUENTLY ASKED QUESTIONS ABOUT LIONS PROGRAMS:

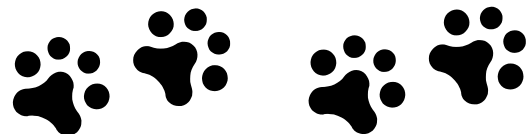

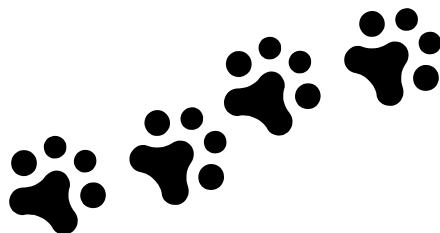

Why did the Minnesota Eye Bank change their name?

The name of the corporation has been changed to the Minnesota Lions Vision Foundation and refers to the workings of the foundation, the oversight of funds raised and the projects supported. Minnesota Lions Eye Bank refers to just the operations of the Eye Bank.

Submitted by: District 5M8 Co-Chairs—

Past District Governor Bob Hoofnagle

Lion Jennelle Shriver

TREE PLANTING CAMPAIGN

Anyone can plant a tree and many people do. But Lions campaign to plant one million trees this year serves a purpose beyond beautifying our communities. Trees cleanse and renew the Earth's atmosphere. There is little a single individual can do that does more to protect the environment than planting trees. Healthy, thriving trees will remind our neighbor's for years to come of Lions commitment to the environment and the vital role that Lions Club play in communities.

The trees will also be a constant reminder to ourselves that Lions can reach any goal we set. The "Believe Award" has been created to recognize those who demonstrate their belief in the power of service by planting trees.

Help reach International President Tam's goal to plant a million trees this year.

5M-8 LIONS CLUB ACHIEVEMENT AWARD Criteria for 2011-2012

District Governor Sandy Sandwich

During the 2011-2012 Lions year, the Governor's Contest will be replaced with a **Club Achievement Award**. Every Lion or Lioness club in District 5M-8 can earn the award by meeting the minimum requirements. The 2011-2012 "**Club Achievement Award**" (a custom designed patch) will be given to each qualifying club at the 2012 Mini-Forum.

All information must be reported on the club M&A or the Zone Chair will be unable to count it towards the completion of the award criteria. Each Zone Chair will have the responsibility of tracking the progress of clubs in their zone toward the fulfillment of criteria.

The following 2 tasks are not optional; they must be completed as stated in order to qualify for the award:

By June 30, 2012, a club must have paid all International, Multiple and District Dues in full.

By June 1, 2012, a club must have correctly completed the PU 101 and submitted it to 5M8 District Governor Sandy

In addition to qualify for the award a club must have **completed six (6) of the ten (10)** following items between July 1, 2011 and June 30, 2012.

Governor Sandy's club visit request form was completed and submitted before October 15, 2011.

Two Club members attended each Zone Meeting. (One of the attendees must be either the Club President or the Club Secretary).

The Club invited and presented a minimum of two District programs **and** a minimum of two "community" based speaker/programs.

The club created and/or continued to utilize a club website and keep it current. This site is not required to be the e-Clubhouse template, although it is highly recommended.

The club made financial donations to support a minimum of five (5) Lions programs.

The club participated in and reported a minimum of three (3) hands-on service activity projects to LCI.

The club's membership increased by at least 1 additional member more than the LCI membership number reported as of July 1, 2011.

The club presented at least one (1) of the following awards to a deserving business or person (need not be a Lion) who had not previously received a Lions award. (Check with Program Chairs for exact requirements of each award)

Melvin Jones Fellowship

5M Hearing Research Fellowship

Helen Keller Sight Award

Leader Dog Tribute

Top Dog Award

Diabetes Dream Catcher Award

The club was represented by at least one member at any three (3) Lions events hosted by other District Lions clubs.

The club participated in or sponsored at least one of the following Youth Opportunities;

"Lions Children First"

Peace Poster Contest

LEO Club Program

Young Leaders in Service Program

Youth Exchange Program

Lions Quest

5M8 SPOTLIGHT ON: THE IMAGE OF A LION

I am honored by DG Sandy to prepare a short history and perspective of my being a Lion. I submitted an abbreviated version and DGE Sandy promptly told me it was too short! I hope I don't stretch too far the other way.

Ray Lindeman was born June 23, 1924 to German/Russian parents with my father immigrating to South Dakota in 1900. I had two older sisters and grew up in South Dakota in the drought, dust storm, depression and grasshopper days. In retrospect that was an education I wish I could have afforded my children. Many lifelong lessons.

After graduating from Parkston SD High School in 1942, I was required to register for the draft. When my number came up I was in my first year in pre-med and the U.S. Army said "We will need doctors so we will defer 'calling you up, but if you flunk one subject in med school----the next day you will be on active duty with a rifle"! What a motivator. In the summer of '44 I went through basic training and eventually graduated with my M.D. Degree in 1948. After internship I came to practice in Paynesville with (Lion) Dr. C.R., Myre. Except for two years as a flight surgeon in the U.S.A.F., Paynesville has been home to this day.

My entry into Lions was in 1950 with 61 years of perfect attendance. I now hate to break that chain. I have held every club office except treasurer and have been on the district cabinet, in some position, since PDG Lion Ira Bergstrom was DG. (1958-59). I was honored to be MD5M Diabetes chair following PDG Dick Risley.

I started in Lions club at the request of my partner, Lion Dr. C.R. Myre. We were a small club sponsored by the St. Cloud Lions Club in 1946. In those days, "blackballing" was still permissible. Since then I have learned several lessons about Lions and Lionism. I believe a Lion is born, then made by life's lessons—to be of service to others. I feel many fine people leave Lionism for many reasons of which a limited attitude of servanthood is most prominent. It can be learned (taught) by a dedicated sponsor. I know that THE INTERNATIONAL ASSOCIATION OF LIONS is the biggest and greatest service organization in the world. I have learned that fund raising activities are the glue that keeps a good Lions Club functioning well. I have learned that too many clubs extend their efforts all the way to their own city limits! I have learned that considering your Lions Club as strictly a social gathering contributes little to the rewarding attitude of service to others. I have found that women Lions can work "rings around" some male Lions. Depriving a club of female members is inexcusable and only limits excellent workers and limits increased membership in any aggressive club.

Many of my attitudes were reinforced in the year of my being D.G. It is a good vantage point to observe what works and what doesn't work well in a Lions Club. It was my most cherished year of being a Lion. I have been honored by being Advisor for 5M8 though I know there are many Lions more qualified on any given subject. I would prefer to be a philosophic mediator since it fits my slowing pace in my 87th years of life.

I'm not suggesting that you must put the Lions Logo on your tombstone but I have committed my life to serve others in Lionism and---- I did just that! [I'M PROUD TO BE A LION.](#)

In Lions service, PDG Dr. Ray Lindeman
