

ZONE CHAIR H2

Ken Ball

I was born and raised in the northwest, with a fairly short 10 years of my adult life in the military. I moved to Mount Vernon in 1995 to attend school at Skagit Valley College. I liked it so much in the Valley that I decided to stay here and finish raising my son. In 1998 I met a wonderful lady who was a Lion. You just might possibly know her as Lion Sandy. 😊 When we married in 1999, I told her I'd check this Lions thing out and if I had fun, I'd join. Well, I did, and have been having a great time ever since. In addition to Lionism, I enjoy riding our motorcycle on the great roads we have up here and spending as much time as I can with the family.
