***Screening may close when the first 300 people have been examined. We cannot guarantee that all patients in line will be seen.

**** El examen puede cerrar temprano, sujeto se hayan examinado las primeras 300 personas.
No podemos garantizar que todos las pacientes en linea se vean.***

This vision screening is not meant to replace a comprehensive eye examination and refraction that can be obtained through a doctor's office. This vision screening is designed to assess for ocular health concerns and provide a useable pair of recycled eyeglasses until professional services and ophthalmic materials are obtained.
