

STRATEGIC LEADERSHIP

MD4 MASTERCLASS SERIES

Lions, of all ages, and different stages in their Lions Journey share their personal stories and revelations of what it means to live out the Lions motto: **We Serve**. Listen and reflect on your Lions journey, how it serves you now, and what it might look like "to serve" in the future.

This is a Tedx Style event with an open discussion to follow.

If you are interested in sharing your journey, and potentially being a speaker, please reach out to MasterClass Coordinator Diana Ringer at dianaringer@icloud.com,

Hosted by MD4 California Lions Marketing Committee
