

# LIONS ROARING NEWS

**DISTRICT 35-0  
OCTOBER 2013**

## *A Note from District Governor Al Becker*

Wow! Here we are into October already. Time is flying when you're having fun. We just returned from the USA/Canada forum in Kansas City attended by over 2500 Lions. There were great inspirational speakers and seminars. Next year's forum will be in San Juan Puerto Rico, so plan on attending.

As I make my visits to the clubs I try to get a feel of how the clubs are doing by getting a report of their activities and watching the enthusiasm of the members. My message to all clubs is "Just Ask" someone to join our great organization and if all clubs can bring in at least 6 new members we would reach my goal of 25%.

Hopefully by the time of this article we will have chartered the Auburndale club. My goal is a total of 3 new clubs by year end.

The next Council of Governors Conference will be in Celebration on Nov 7-9<sup>th</sup>.

Our next district advisory meeting will be at the Cypress Creek High School in Orlando and the theme will be

"The 50's & 60's", so plan on attending on Saturday, November 16<sup>th</sup>.

December begins the Lions Clubs International worldwide "[Relieving the Hunger](#)" campaign. All clubs should plan a project to support this event, such as collecting canned goods and distributing baskets to your local shelters or nursing facilities.

A reminder to all clubs of the District Governors Award for the club with the highest increase in membership. We are off to a good start and hopefully we will continue on this path.

*Let's "Follow our Dream" and show others just how Great it is to be a LION.*

## *From the Den of 1st Vice District Governor Carolyn Lloyd*

I have recently returned from a road trip with my husband and three friends to the 2013 USA/Canada Forum in Overland Park, Kansas. Okay, it is a really long ways from District 35-O but, when taking food, crafts, magazines, and e-books, the trip out and back was actually fun.

Once at the forum, the classes were diverse and awesome. The vendors had lots of new and different items. The Forum Store had all kinds of Lion's shirts, scarves, ties, and other things.

The banquet speakers at a forum are always fantastic. This forum was no exception. Ed Hearn, Dayna Steele, and Patrick Henry Hughes kept the audience interested. Please take the time to "Google" these people and see why they had so much to offer.

The forum is always fun because attendees get to hang out with friends from their own districts and friends from far-away districts. The really fun part is having the opportunity to make lots of new friends from all over North America.

Thinking about the forum brings to mind that serving, having fun, and being part of a Lion's family begins as soon as a new member comes into the Pride. Part of retaining new members is making certain that they are included in a project or something to fulfill the desire to serve that brings in most new members. Another part of retaining new members is being sure to include them in the group. Greet new members and talk to them. This is the time to invite them to come to a zone meeting or a district meeting. Remember that the first time someone goes to a meeting outside the club it can be a bit lonely. Introduce new Lions to as many people as possible. Now, at every future meeting they will have someone to talk to. The new Lion is beginning to make friends. Next comes Council of Governors meetings, forums, and conventions. Lions, get out there and attend these meetings. Take a new Lion along. Let our Pride grow and serve.

*OUR HANDS TOGETHER IN SERVICE, Lion Carolyn*

## *2<sup>nd</sup> Vice District Governor Jacquie Tripp*

Dear Lady Lions,

Last night at our Zone 9 meeting, I addressed the Lions regarding IP Barry Palmer's message to seek out women to add to our club's membership. I told them the story about my mother urging me to give back to society and join the Lions. We saw the work the Cedarburg Lions were doing in Wisconsin every year at the Strawberry Festival. With her encouragement, I went home to the panhandle of Florida, saw Lions selling raffle tickets at the mall, and found a club to join in 1999. There were only four of us in the club at that time. Last night, 13 years later, we had a near even amount of men and women in our crowd. We are moving forward!

I challenge every Lady Lion reading this to ask another female to join their club or any club. It isn't easy hearing all the excuses that will be told, but persist. Dr. Albert Ellis, the world's second most influential psychotherapist, shared with us in training that he asked 187 women to go on a date before he finally got one! That's persistence. I know I haven't asked 187 women to be a Lion!

Email me ([lionjtripp@hotmail.com](mailto:lionjtripp@hotmail.com)) and let me how you are doing asking, and signing up, women for our clubs and districts! Good Luck!

*Serving Beside You, Lion Jacquie*

## **CHANGES IN THE LCI MEMBERSHIP GROWTH AWARDS**

[Membership Growth Awards](#) recognize Lions and clubs for inviting new members. Traditionally, the month of October has been dedicated to inviting new members. To encourage clubs to start and end the year strong, Lions Clubs International is now also recognizing member invitation in April.

To be eligible to receive the awards, new member and sponsor names must be reported to International Headquarters using MyLCI between October 1 and midnight October 31, and/or between April 1 and midnight April 30, Central Standard Time. Paper MMR's must be received between the 1<sup>st</sup> and 20<sup>th</sup> of October and/or April, respectively, to be processed in time. Awards are sent to club secretaries six weeks after the close of the month.

There are two types of awards:

1. Silver & Gold Membership Growth Award Pins: Lions that sponsor a member in either October or April receive the Silver Membership Growth Award Pin. Lions that sponsor a member in October and April will receive both the Silver and Gold Membership Growth Award Pin.
2. Membership Growth Award Banner Patch: Beginning in the 2013-14 fiscal year, clubs that add new members in both October and April will receive the Membership Growth Award Banner Patch and a fiscal year patch. Thereafter, repeat award recipients receive a fiscal year patch to affix below the banner patch. Clubs previously qualifying for the October Membership Growth Award will need to meet the new qualifications to receive the Membership Growth Award Banner Patch.

## PEACE POSTER CONTEST POSTMARK DEADLINE IS NOVEMBER 15

By Chairperson Lion Kevin Jarvis, 321-635-8416, [kpjar77@aol.com](mailto:kpjar77@aol.com)

The address to mail all Peace Poster contest submissions is:

**Rockledge Lions Club, P.O. Box 560313, Rockledge Florida, 32956-0313**

Hello, in addition to being the King Lion for the Rockledge Lions Club, I am DG Al's District Chairperson for the Peace Poster Contest. This year's theme is "Our World, Our Future".

Very much like last year, I intend to implement a judging process and procedure such that no Lions are involved in the determining the District's winning submission to the MD. In that regard, I have already engaged (as a volunteer effort) the services of the Strawbridge Art League (a well-established local Art League) whose membership will do the actual judging. Having performed these services last year, they readily volunteered again this year and look forward to the various submissions from our District.

In that regard, please ensure that all of the specific rules and requirements of the contest are 100% complied with since there will be no deviation from them during the judging process. In years past, we had a few submissions disqualified for age violations and lettering on the front of the poster. Please ensure that your club Peace Poster chairs clarifies each of the rules when contact is made with the submitting organizations.

I'll also remind you of 2 key dates, one for you and one for me. Yours is the 15th of November. This is the postmark deadline for a club to send me your winning poster (no exceptions). My key date is 1 December. This is the postmark deadline in which I (on behalf of our DG) must send our winning district poster to the MD. Please remember these dates as your club participants, advertises, oversees and manages the contest.

The address to mail all contest submissions is as follows:

**Rockledge Lions Club, P.O. Box 560313, Rockledge Florida, 32956-0313**

Should you have ANY questions concerning the contest, please do not hesitate to contact me.

Thanks in advance for your assistance and support. Our goal is to get our district poster at the Lions Day award ceremony with the United Nations.

## INTERNATIONAL PRESIDENT BARRY J. PALMER

### **JUST ASK!**

#### **SHARING THE DREAM**

It's difficult to explain to people exactly what Lions do. After all, we do so much. It's far easier to explain *why* we do what we do – we want to give back to the community and make dreams come true. Your community needs you. In fact, it needs more people like you.

October is New Membership Growth Month, and I'd like your club to set a goal of adding at least one new member. New members bring fresh ideas, keep clubs healthy, and increase your ability to serve. When Lions sponsor and report a new member in October, they'll receive a [Membership Growth Award](#) Pin. And if your club adds new members in both October and April, you'll receive a Membership Growth Award Banner Patch.

Be sure to give your recruiting a boost with *Just Ask!*, and remember that men and women make great Lions!

#### **PROMOTE YOUR CLUB IN THE MEDIA**

Want to get more media coverage for your club? The new [club press release page](#) provides easily customized press releases that give you a fast, effective and inexpensive way to get more attention for your service projects, fundraising events and success stories. And when people know more about the great things you do, they're more likely to join. There's even a press release for recruiting new members, so download it today and get the word out!

#### **SHARE THE VISION IN OCTOBER**

As Lions, we serve. That's why I'm asking your club to conduct a vision-related service project for our Sharing the Vision Campaign in October. You can conduct a vision screening, assist a recreational camp for the visually impaired, or serve at an eye bank, guide-dog school or rehabilitation center for the blind. You can sponsor an eye health presentation at a local school or organize a recreational activity for the visually impaired. It can even be as simple as helping someone you know who is adjusting to vision loss or blindness.

[Get more ideas, resources and a press release](#) from the Sharing the Vision Web page, and remember to share your project through the online Service Activity Report!
