Dear Fellow Lions,

As you maybe aware, Lion Robert Kelly, the Executive Director of the Conklin Center, is retiring as of October 31, 2018 after serving for over 31 years at the Center.

To honor his service, Lions would like to present him with a Diamond Life Membership to the Conklin Center at the October 6 retirement reception. Your invitation to Lion Robert's reception is provided on a separate flyer.

We would like to ask each Lions Club or individual Lion to donate any amount they wish toward this project. If you will forward your donations to me, I will gather them together for his award. Each Lions Club and/or individual would receive recognition for their donation. **Make checks payable to Conklin Center and mail to address above.**

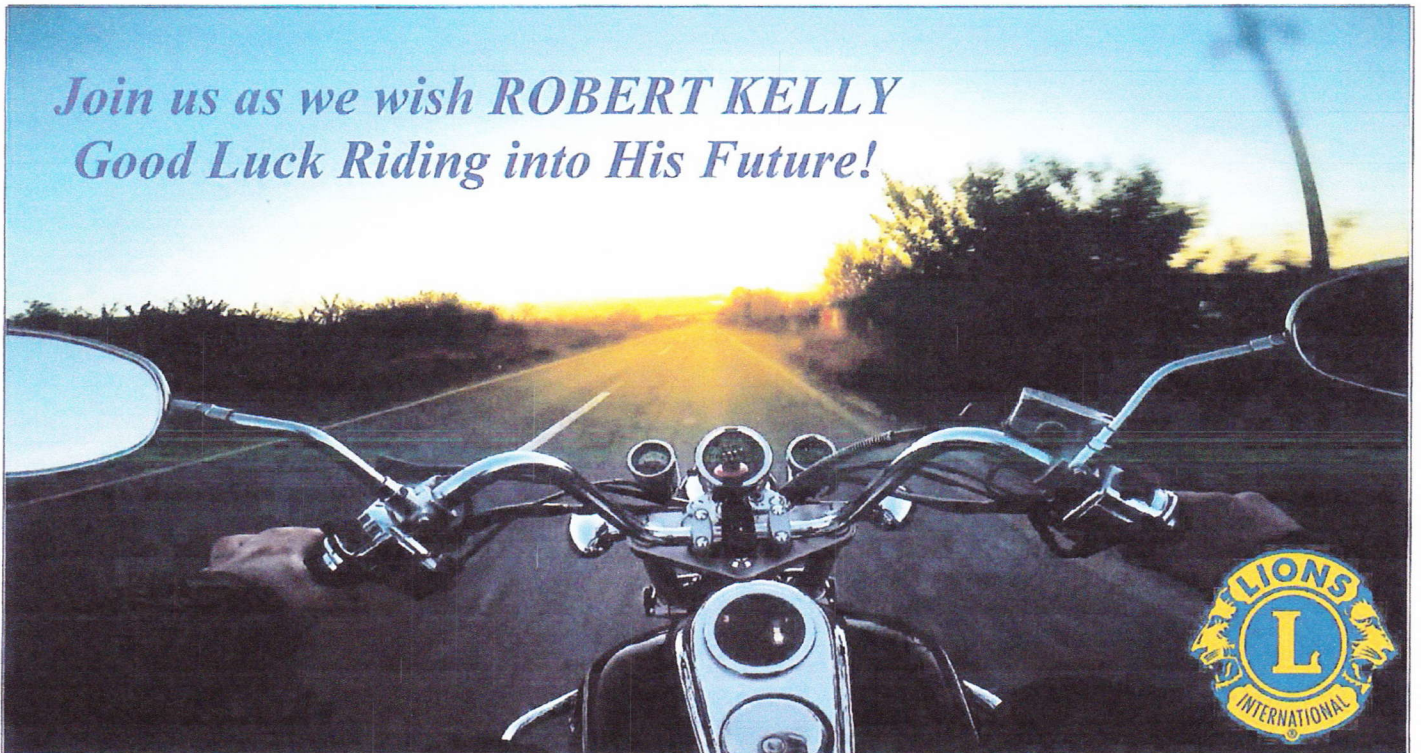

All donations need to be received by October 1 so a plaque can be ordered.

Please keep this confidential as it will be a surprise to Lion Robert!

If you have any questions regarding the above, please feel free to contact me at the contact information above. Thank you for your consideration of our request and for your donation.
