From District Governor **RICHARD SILVEIRA**

Hi all you mummies! We really did have fun and fellowship at the cabinet meeting as some of us were TP'd as mummies thanks to Lion Jody's ice breaker. Hey, I even got to take the unused TP home (and just in time as we were running out!) Thanks to the Union Mills Lions Club for hosting the meeting.

If you were not at the cabinet meeting, not only did you miss the fun and fellowship, but you missed the Heart of the Lion as we were treated to an amazing account of service being accomplished by the Lions of our awesome District. Listening to the Lions report on their projects and programs revitalizes us all and unites us in the belief that Lions truly make a difference. We heard that clubs were establishing goals for membership and service projects. We heard some innovative ways to help Lions pay their dues and how Lions are caring for Lions just as we care for family. It reemphasizes that we are a family and we need to care for each as we care for those we serve. Clubs reported on their Reading Action Programs and how they were combining both Kid Sight and adult eye screening into their literacy projects. The report on the NFB convention reminded us of our challenge by Helen Keller to be knights of the blind. The Fishing for Life project will continue this year and hopefully for many more. All of these great things always remind me of Margret Meads' comment (paraphrased here) that we should never doubt that a small group of people (Lions) working towards a common goal can change the lives of others and indeed the world. It has, and always will, be that way.

After the meeting, the Global Membership Team (GMT) met to discuss their plans to help clubs. The team is doing a great job and it is truly amazing how much can be accomplished when no one cares who gets the credit. GLT PCC Mike is setting up orientation programs in each Region.

You have often heard me say "What a country and Only in America". Our in the spotlight section is devoted this month to those who protect our way of life and our freedom. Many paid the ultimate price and many wear the scars of the battle for freedom. Salute a veteran this month and let them know how much we appreciate their sacrifice.

When we count our blessings at this time of year, let's remember the **GIVING** part and how fortunate we are to be Lions because **WE**:

- T**ake the tears off the faces of children and replace them with smiles
- H**ave the Heart and Courage of a Lion to serve those in need and our communities
- A**cept Helen Keller's challenge to be Knights of the Blind and give the gift of sight to all
- N**otice the needs of our Lions family and care for each other
- K**eep our clubs strong and growing to leave a legacy of service to the future

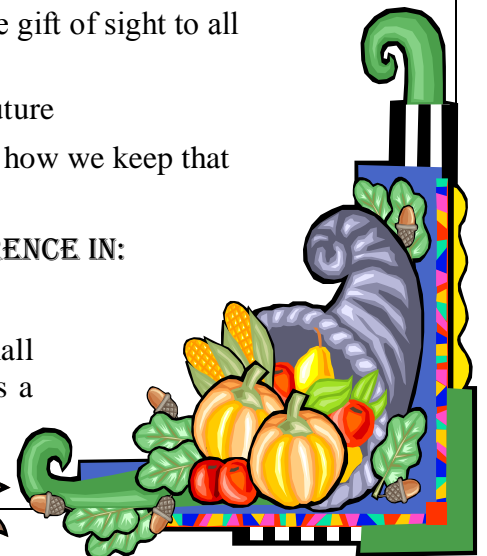

Our gift is the special feeling of knowing we changed the lives of so many and how we keep that "special angel" in our hearts.

**FROM THOSE WHOSE LIVES YOU MADE A DIFFERENCE IN:**

### **THANKS FOR GIVING**

I am Thankful to be among the awesome Lions of District 25 A and to be a small part of the miracles they accomplish Every Day, In Every Way. Every day is a time for giving and every day is a time for thanks.

DG Dick

Last month, myself, PDG Kevin and Lions Butch and Rhonda Weston from the Westville club, Lion Bo Zimmerman from the Union Mills club and PDG Patrick from the Indiana Harbor East Chicago club were invited to the Indiana State Convention for the NFB (The National Federation of the Blind). They wanted us to share our experiences from the 25A Fishing for Life Derby that was held in June and explain how we got it started. We sure got our eyes opened by attending and listening to NFB's purpose and their achievements to meet their goal of complete integration of the blind into society on a basis of equality.

In the planning of the Fishing for Life Derby, our goal was to teach the blind children attending to be able to put a fishing pole together, fish for a day and generally have some fun and fellow-ship. Little did we know that what was achieved was far greater than fishing for life. It opened the door for independence and leadership opportunities for not only the children but the blind mentors as well.

All of the blind mentors that helped with the Fishing Derby are members of the NFB. Lion Al Lavoti, from the ISBVI, requested that they write a synopsis of their experience and the following is part of what one mentor, Kevin Morales wrote:

*“My goal for attending the Fishing for Life Derby was to learn about leadership. As VP of the Leo Club, I wanted to make sure I went ‘fishing’ for information, strategies and other means that communicated leadership. The rain poured down hard that Saturday afternoon, but I kept ‘fishing for the understanding’ of what it meant to be a true blind leader. Other mentors were there to show me how to lead; with purpose, meaning and motivation. They taught me how to constantly cast the fishing pole; not only for the present moment but also for the moments, days, weeks, months and years to come. After I got home, I took what they taught me and reflected up on what I just had gained. I have gained sense of pride in my blindness and a love for ‘fishing of knowledge’. Lion Kevin Roe, My fishing coach, also played a major role in this. He taught me how to fish for patience and understanding of how the fishing pole works and the will to face my fears. You see, I had never fished before, touched a fish or got so close to water before. He also taught me how to coach others, when I get the opportunity to do so. My experience I went through during the fishing camp was remarkable and I definitely do not regret any single moment of it!”*

Kevin was just one of the many inspiring stories we got to hear during the convention. Fellow Lions, it all comes down to the NFB's belief that *“The real problem of blindness is not the loss of eyesight. The real problem is the misunderstanding and lack of information that exist. If a blind person has proper training and opportunity, blindness can be reduced to a physical nuisance.”*

It was during the convention that Helen Keller's appeal to the Lions to become Knights of the Blind became took on a broader meaning for me. It was more than about helping the blind it was also about being advocates for the blind. So I appeal to you, fellow Lions, let us expand our sights and do all we can to promote the interests of the blind and educate the public about the true nature of blindness. Visit [nfb.org](http://nfb.org) for more information on how you can help and be sure to visit [lionsclubs.org](http://lionsclubs.org) on how to do a white cane day program and advocate for the blind in your communities.

Thank you Lions for giving hope, love and opportunities to your families and all that we serve.  
**Happy Thanksgiving!**

## **It Is The Veteran...**

**It is the VETERAN, not the preacher,  
who has given us freedom of religion.**

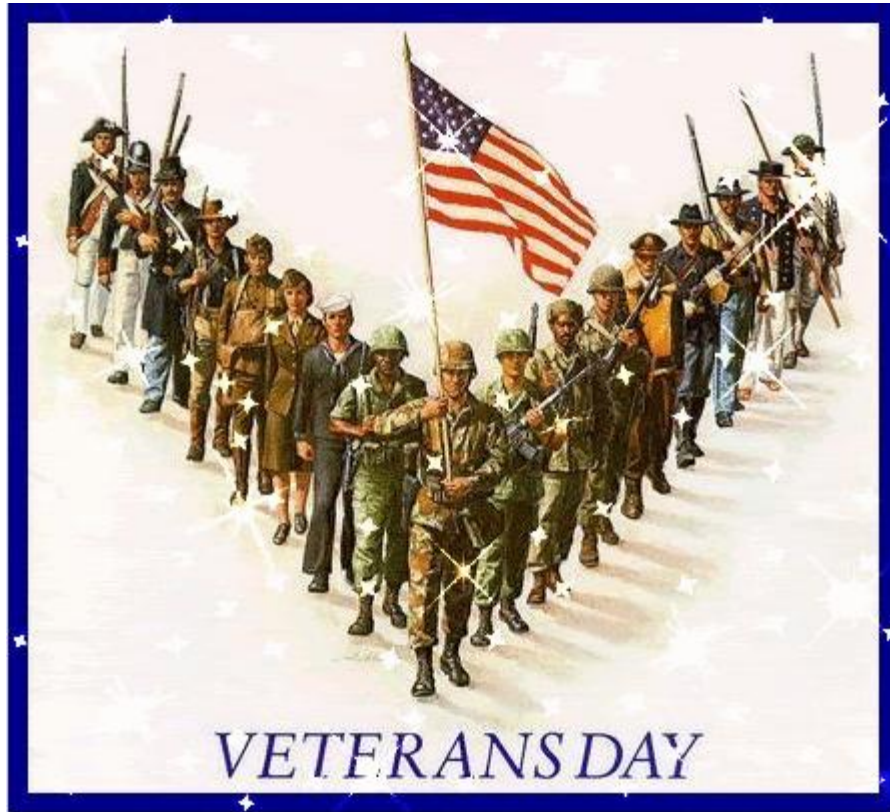

**It is the VETERAN, not the reporter,  
who has given us freedom of the press.**

**It is the VETERAN, not the poet,  
who has given us freedom of speech.**

**It is the VETERAN, not the campus organizer,  
who has given us freedom to assemble.**

**It is the VETERAN, not the lawyer,  
who has given us the right to a fair trial.**

**It is the VETERAN, not the politician,  
Who has given us the right to vote.**

## History of Veterans Day

World War I – known at the time as “The Great War” - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of “the war to end all wars.”

The Mill Creek Community Lions Club recently received the “Faithful Friend Award”, presented by the American Red Cross Blood Services Indiana-Ohio Region. This award was given because the club hosts a blood drive at the Lincoln Township Community Building at Fish Lake, every eight weeks. These drives are held when there is a crucial need for blood.

Community members have a chance to donate to help save lives. One blood donation saves the lives of three people. Every two seconds someone needs blood in the United States. Lion members hosts the blood drives and helps recruit donors. This award was presented with gratitude for the Lions loyal and selfless efforts to help save lives through blood donations. Maryann Dwan, Merrillville IN, Donor Recruitment Representative, nominated the club as a “Faithful Friend”. This award was presented to Lion Carolyn Hunt by Paulette Maxie, Merrillville IN District Manager, at the Marriott Fort Wayne Hotel. The Mill Creek Community Lions club had their first blood drive in January 2010 with Hunt and Paul Tuszynski as chairman.

Mill Creek Community Lions Club member Donald Grott was presented the W.P. Woods Fellowship award, lapel pin and patch by Immediate Past District 25A Governor Patrick Rodriguez at the Mill Creek Lions Club sponsored hog roast at the Lincoln Township Community Building on September 15<sup>th</sup>. He was nominated for this honor based upon his contributions to the principles of Lionism. The W.P. Woods Fellowship is the highest honor bestowed by the Lions of Indiana.

The W.P. Woods award was established April 22, 1995 to honor the first president of Lions International who was an Indiana Lion from Evansville. The Award is a way that Indiana Lions may honor their dedicated Lions with a Hoosier Lion Award.

Lion Grott’s name will be forever displayed at the Indiana State Lions Office recognizing W.P. Woods Fellows. Grott’s wife, Mary, pinned his award. Eleven family members from Muskegon Michigan, Springfield Missouri, and Mill Creek Indiana witnessed this joyous event.

Grott received this award for creating the “Medical Equipment Lending Locations Directory.” This directory was created and published by the Mill Creek Community Lions Club in 2012 and contains the contact names of clubs and organizations where loaned medical equipment is available. Over 1,000 copies of this directory have been distributed in North West Indiana.

Jack Arnett

Jack Arnett, Executive Director of the Tourism Bureau presented the program. He gave us an overview of the Bureau and its marketing efforts.

**Lions Clubs International  
Century of Service Commemorative Coin Act signed into law!**

In recognition of our 100th Anniversary in 2017, LCI led efforts to have 400,000 silver dollar commemorative coins minted by the U.S. Treasury. Sales of the coins will raise millions to support our global mission areas for the visually impaired, disabled, youth and those affected by disaster. Lions from all over the globe are exploring similar commemorative campaigns locally.

Through the hard work and grassroots advocacy of many Lions, the "Lions Clubs International Century of Service Commemorative Coin Act," S. 1299/H.R. 2139 achieved 295 sponsors and co-sponsors in the U.S. House of Representatives and 70 sponsors and co-sponsors in the U.S. Senate before its passage by Congress. President Barack Obama signed the Lions Clubs International Century of Service Commemorative Coin Act into law on October 5, 2012!

Now that the legislation is passed and signed into law, [LCI commemorative coins can be purchased from January through December 2017 from the U.S. Mint](#) or by phone at 1-800-USA Mint. Commemorative coins are always in great demand among coin collectors; therefore, please add your name to the [waiting list](#).

**Want to thank your Members of Congress for co-sponsoring the  
Lions Clubs International Commemorative Coin Act?**

\* Note, Senator Moran and Representative Roskam are the sponsors of S. 1299 and H.R. 2139 respectively. When thanking them, please address them as sponsors and not co-sponsors.

- Share a copy of your letter with LCI by emailing it to [government.relations@lionsclubs.org](mailto:government.relations@lionsclubs.org).

## LCIF News

Some Lions ask what is LCIF, it is the lending arm of Lions International. When clubs donate their money to Lions International this is where it goes. There are 5 major areas where your club can send money and get credit towards a Melvin Jones Award: Area of Greatest Need, Sight, Disaster Relief, Youth and Humanitarian needs. The latest program is the One Shot, One Life This program is about the Lions Measles Initiative, a measles vaccine only cost a dollar and its good for a lifetime, making it one of most cost effective health interventions available. Act now and meet the Gates Challenge for every \$2 we donate the Gates Foundation will donate a dollar.

If your club is looking for a program LCIF coordinator Lion Randy Greer would be glad to come to your club. He can bring you up to date on what is going on at LCIF and all the things that they have been able to accomplish with your generous donations. Call Lion Randy at (219) 759-2865 or (219)728-8432(cell) or you can e-mail me at: [lionrandy@yahoo.com](mailto:lionrandy@yahoo.com)

I hope to hear from you.
