

DEAR

MONTHLY NEWSLETTER OF LIONS CLUB INTERNATIONAL DISTRICT 412

ISSUE : 50
VOLUME : 6
DECEMBER 2011

From The DGs Desk

My Fellow Lions and Leos,

We are now at the last month before the second half of the 2011-12 Lionistic year and we should be registered with LCI as meeting our target because I am in receipt of Gweru Mkoba Lions Club information which has also been submitted to LCI. I am however making an appeal to all of us to continue being proactive and focus our efforts on recruitment and retention of members for the rest of this Lionistic year. I will continue to emphasize that we are part of Africa and need to be within the continent's (Africa forum) and not on the outskirts. We are still waiting to receive the Charter for Mahalapye Central Lions Club.

In the area of finances, there are some clubs that are doing very well as both their International and District dues are already paid up for the entire year; some have paid for the first half of the Lionistic year on both accounts; some have only paid for their International dues; while the remaining clubs have not paid any dues. I would like to urge Region and Zone Chairpersons as well as the Guiding Lions of the defaulting clubs to assist the Finance Committee to ensure that clubs honour their commitment of paying their dues. Please stress the importance of paying dues during your Zone meetings, training sessions as well regional meetings. We need to see the positive changes of this current situation at the beginning of the new year, remember our Convention is now approximately three months away and we all need to be in good standing.

Tree planting continues to be our focus, most clubs are now involved in this exercise and these reports are being sent to the Newsletter and Website teams. This is the rainy season and therefore I do expect to hear that all our clubs including our Leos Clubs are involved in this exercise. Read more about this in the article on tree planting and visit our website. If you have not sent in your report, please do so by January 15th 2012.

Clubs visits continue to be my greatest challenge and I continue to work on strategies to overcome this situation. During the weekend of the 2nd Cabinet meeting I was able to meet with two clubs and should be meeting with some others in Zimbabwe before the end of the year. I am currently working with the District Governor's team to ensure that all clubs are visited before the end of this Lionistic year.

Fellow Lions, our rate of submission of applications for the 2012 District 412 Convention during and after the 2nd Cabinet meeting is indeed pleasing; we now have over 100 delegates who have registered and I am quite sure that by the time you would have received this newsletter more delegates would have been added. Region One delegates allow me to thank the Convention Committee for granting you a waiver to continue paying US\$90.00 until end of December 2011 and this is because of the FOREX situation in your country. Please make use of this opportunity to ensure that as many members and guests register. In other regions, please note that the registration fee for our 2012 D412 Convention is now US\$130.00.

Now I would like to turn my attention to my Dear Cabinet Officers especially those who braved the heavy storms and traffic jams as well as used whatever means of transport and were able to attend the 2nd Cabinet meeting in Harare, Zimbabwe. I really did appreciate their Commitment which once again allowed us to have a quorum at our meeting. I would also like to appreciate those Cabinet Officers who communicated their apologies and sent their reports prior to the meeting. My gratitude is also extended to our five PDGs who were present at the Honorary Committee meeting despite their busy schedules and the distance they travelled to ensure their presence. Fellow

Lions it was also great improvement whereby prior to the Cabinet meeting, the Cabinet Secretary was in receipt of approximately 75% of your reports, you are indeed appreciated for the changing trend. Let us continue to see such increase in all our areas of responsibility. I would like to express my gratitude to the all the organizers of the weekend's proceeding, commencing with the joint march between Lions and the Zimbabwe Diabetics Association and the overall management of the day's activities. It was indeed a great success.

I would like to express my gratitude to our two PDGs: Lion Faisal Karim and Lion John Silva who have applied and have been recommended by our District to attend the Faculty Development Institute and SVDG Lion Clever Mugadza, Region Chairpersons Lion Jean Mathanga and Lion Dr. Alva Senderayi; Zone Chairpersons Lion Eric ,Lion Jona Machaya and Lion Willie who have also been recommended by District 412 for the Senior Lions Leadership Institute to be held in Kinshasa in February 2012. We wish these Lion Leaders all the best in the hope of being selected.

The Leos Council Meeting was indeed a great success despite a number of challenges they faced. It was indeed heartening to see Leos who came from as far as Mutare to attend this very important meeting. The Zimbabwe Leos should be applauded for their large attendance; they were accompanied by the District Leo Chairperson and Zone 3A Chairperson Lion Jona Machaya and his Assistant Lion and a patron Lion Sharai Sibanda. The Botswana Leos though few in number should also be appreciated especially the two clubs from Francistown who were the hosts of the meeting and though being new Leos were able to deliver when the need arose; they were accompanied by Zone 4A Chairperson and Assistant GMT Coordinator for Botswana, Lion Sylvia Muzila. Lion Sylvia should be complimented as she worked tirelessly with PDG Lion Dr. Veera Sayana and the Region 4 Chairperson Lion Elizabeth Myengwa to ensure that accommodation was sought for the Leos. Fellow Lions and Leos thanks very much for your co-operation and commitment to ensuring this meeting was a success.

My dear Lions, I would like to once again appreciate all the individual Lions and/or clubs who have submitted articles for this month's Newsletter; we continue to increase our activities in all regions, however I am still not happy with the rate at which articles have been submitted. I am also yet to view at least one article from District 412 in the Lions Magazine. I continue to express my profound gratitude to the Newsletter team, especially Lion Melusi for his total commitment to this portfolio which is very challenging; yet he continues to ensure its completion before the ending of every month. I really feel honoured to be working with this team. I urge all of you to continue sending your articles for publishing to the Newsletter Editor "Lion Melusi Lusaba" newsletter412@gmail.com or the Website Manager "Lion Piraishe Mabheha" piraishe@gmail.com , and by using all resources available. The resources referred to include Club Officer Training organized by Region & Zone Chairpersons, individual Senior Lions, the LCI Magazine, our District Directory, our District Newsletter, the LCI Website, www.lionsclubs.org and, of course, our District Website - www.e-district.org/sites/412 .

I continue to express my gratitude to all of you for your continued support of me as your overall leader. At the same time I want us to remember to always **"Initiate, Consult and Communicate"**, this is the only way we can be visible to our communities, zones, regions, district and global lions' family.

Fellow Lions and Leos, I would like to request all of us to continue in our prayers for our very committed and selfless Lion PDG Lion Anil Patel; and all other Lions and Leos as well as their families who may at this time be suffering from health-related problems. Let us pray that they will be granted a speedy recovery and be able to join us to once again serve their respective communities. To those who may have lost love ones during this period, we do express our sympathy and pray for comfort for you and your family.

DG Lion Frances Palmer

Peace poster

This year we have had a repeat of last year with regards to the number of clubs participating in the Peace Poster Contest. One club in Zimbabwe, Lions Club of Bulawayo Matopos has been actively promoting the Contest and has gained good publicity for their club. Three clubs in Botswana- Gaborone, Lobatse and Molepolole have also continued with this activity and are presenting Peace posters every year. I have not succeeded in motivating other clubs in our District 412 to take on this activity, however I shall continue trying to encourage other clubs as well.

So, my target of a minimum of 10 clubs participating this year has not improved and we have only 4 clubs of a total of 55 clubs that have participated.

CAN THIS SITUATION BE IMPROVED???

I am pleading to clubs in Zimbabwe, Malawi and Botswana to rethink your activities and please include Peace Poster Contest for the coming year 2012.

I am willing to provide any information that is needed and the Lions Clubs website www.lionsclubs.org also has all the information.

Lion Vimla Ramkumar
District Peace Poster Chairperson(2011-2012)

Birthday Wishes

On behalf of the all the Lions and Leos of District 412 , I would like to wish our District Governor a happy Birthday as she and her family celebrate another year of blessings on the 8th of December.

We wish her good health, wisdom and patience as she ages gracefully

Lion Melusi Lusaba PLDP
Editor

"You Will Forget" by Chenjerai Hove

If you stay in comfort too long
You will not know
The weight of a water pot
On the bald head of the village woman

You will forget
The weight of three bundles of thatch grass
On the sinewy neck of the woman
Whose baby cries on her back
For a blade of grass in its eyes
Sure, if you stay in comfort too long
You will not know the pain
Of child birth without a nurse in white

You will forget
The thirst, the cracked dusty lips
Of the woman in the valley
On her way to the headman who isn't there

You will forget
The pouring pain of a thorn prick
With a load on the head.
If you stay in comfort too long

You will forget
The wailing in the valley
Of women losing a husband in the mines.

You will forget
The rough handshake of coarse palms
Full of teary sorrow at the funeral.
If you stay in comfort too long

You will not hear
The shrieky voice of old warriors sing
The songs of fresh storied battlefields.

You will forget
The unfeeling bare feet
Gripping the warm soil turned by the plough

You will forget
The voice of the season talking to the oxen.

7 blunders of the world that lead to violence:

**Wealth without work,
Pleasure without conscience,
Knowledge without character,
Commerce without morality,
Science without humanity,
Worship without sacrifice,
Politics without principle.**

Mahatma Gandhi (1869-1948)

Taking Diabetes Head On

World Diabetes Day was celebrated on the 12th of Nov at Game City by the Lions of Gaborone. The event was organized by the diabetes association of Botswana in conjunction with Gaborone Lions Club, supported by Diagnofirm and students of Nursing Institute.

Close to 400 people were tested for random sugar. After the testing the patients discussed their results with the doctors and members of Diabetes Association of Botswana and were advised about the diet and need for physical exercise.

The event's guest speaker was Hon. Minister of Health accompanied by WHO representative, Dr. Onen who delivered a welcome addresses and mentioned that Diabetes is on the rise in African continent.

The event was well covered by Media and the footage was shown on BTV.

One of the Lions Dr. Nair explained all about Diabetes on Good Morning programme on BTV prior to the event. She attributed the rise in diabetes cases due to sedentary lifestyle and stressed the need for physical exercise.

About 15 Lions participated in various stages from planning to execution of the project

Screening in progress

Patiently waiting for their turn

Dr John Seakgosing, Minister of Health. and Joy Crossbie from Diabetes Association of Botswana.

A participant completes her details prior to screening with the help of a lion

I have always thought of Christmas time, when it has come round, as a good time; a kind, forgiving, charitable time; the only time I know of, in the long calendar of the year, when men and women seem by one consent to open their shut-up hearts freely, and to think of people below them as if they really were fellow passengers to the grave, and not another race of creatures bound on other journeys.

~Charles Dickens

The Diabetes awareness March in Harare through the Lens

The Lions Club of Harare West in partnership with the Diabetic Association of Zimbabwe held a march on Saturday 26th November 2011 from Town House to Africa Unity Square to raise awareness of diabetes and advocate for improved diabetes care and prevention. free screenings for diabetes and its complications were provided at the Africa Unity Square on the day. 2011 marks the third year of the five-year focus on **'Diabetes Education and Prevention.'** Every year on November 14, World Diabetes Day unites the global diabetes community to produce a powerful voice for diabetes awareness and advocacy, engaging individuals and communities to bring the diabetes epidemic into the public spotlight. In the evening the Lions Club of Harare West will host a fund raising dinner at the Harare Club proceeds went to the Diabetic Association.

The DG sat next to the Mayor of Harare His Worship Muchadeyi Masunda before at town house

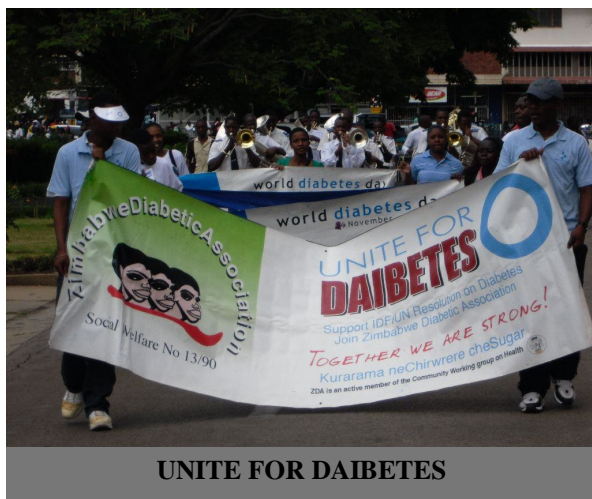

Harare West Lions also marched

17th All Africa Conference - Kinshasa, 1-5 February 2012

Dear friends,

It gives me great pleasure, honour and privilege to formally invite you to the 17th All Africa Conference (AAC), 1st – 5th February 2012, taking place in Kinshasa, the largest city and political/commercial capital of the central African country of Democratic Republic of Congo, which is one of the world's fastest growing economies with thriving agricultural sector and abundant solid mineral resources of over US\$24 trillion.

With Africa gradually emerging as a Constitutional Area of our esteemed Association, the Executive Officers of our Association who ALL BELIEVE in the great growth potentials of Africa, will be gracing the conference which is designed to midwife the birth of the NEW AFRICA.

No doubt the presence of these esteemed officers with their full compliments of office will boost the morale of all Lions in the emerging Constitutional Area of Africa.

The programme of the conference has been tailored towards self sustenance and furtherance of self development which expectedly will ultimately be applied to the benefit of service delivery. In addition, the programme has been designed to dovetail into two all important institutes from 7th – 10th February 2012 viz: Senior Lions Leadership Institutes and Faculty Development Institutes.

Needless to mention that apart from the rich programme content, the conference in Kinshasa promises to be a tourist Lion delight in view of the scintillating attractions including many wildlife parks, cultural diversity of its hundreds of ethnic groups, the famous Lake Tanganyika, Mount Nyiragongo and Nyamuragira, the ubiquitous Congo River which traverses the entire landscape of DRC and which proudly runs between and separates Congo Kinshasa in DRC and Brazzaville in Congo Brazzaville.

What about the Congolese generic music, the soukous from which other African nations produce music genres.

No doubt a lot of entertainments await all participating Lions at the Kinshasa AAC.

My dear friends, one cannot forget in a hurry the traditional warm hospitality of the citizens of DRC particularly the vibrant Lions who cannot wait to receive all Lions into their warm embrace in Kinshasa.

It is therefore with a great sense of responsibility as the Conference Chairperson, that I enjoin you all to be part of history of the great transformation of Lionism in Africa by ensuring that you are all present in Kinshasa in large numbers to exchange ideas on service experiences, best practices as well as learn from the lessons of the shortcomings of the past.

Please remember that:

*The more we serve together, the happier we would be; For your friends are my friends;
And my friends are your friends. The more we serve together the happier we would be!*

Let us rekindle the spirit of our International Association of Friends and Volunteers by trooping to Kinshasa, come February 2012. I surely cannot wait to officially welcome you all in the company of the traditionally warm and hospitable Lions of DRC. Looking forward to meeting all of you there.

Registration- From 1st December 2011 – 220 \$ US per person

(PLEASE NOTE THAT TRANSFER CHARGE AT YOUR OWN COST)

CLUB UPDATES

LIONS CLUB OF LILONGWE

Membership: The club has registered a steady membership growth and has sponsored a new club in the last lionistic year (Lilongwe New Century Club) that was chartered in August 2011.

The club will soon launch Bunda Leo Club as soon formalities with LCI are finalized hopefully in the first quarter of 2012.

Club officers training: The club has participated in the joint training programmes organized by the Region chair in Lilongwe and during the Malawi conference.

Challenges: Members not paying their subs on time. Very few members being available for club activities at times affecting quorum during scheduled meetings.

LILONGWE NEW CENTURY CLUB

Membership: The club was chartered with 21 members and three new members have since joined

Club officers training : This was done on 23 August 2011 prior to the charter and was facilitated by the Region Chair Lion Jean.

Challenges: The club has identified Kawale Health centre as their project and are now organizing fundraising activities to raise money for this project. They have organized social football and netball games in partnership with the alumni for Mzuzu University during the month of December 2011.

KASUNGU LIONS CLUB

The club has been reactivated in September 2011 with almost completely new members. Thanks to the great effort by the FVDG Lion Clement.

The club has 19 members, seven were inducted during their fundraising braai on Saturday 19th November by Lion Clement.

Club relaunch

They have planned to relaunch the club on the 10th December 2011 and the logistics are being worked out.

Zone 2E –Zimbabwe

KADOMA

Membership: 19 (two inducted and have their membership numbers on 22 October)

Project: Have to start their sewing project. They are tying up loose ends with the Municipality, and other partners involved in the V.T.C. Their vehicle from Japan needs number plates and they are repairing the kombi.

LEOs: Their LEO Club at Jameson high was inducted on the 22nd October. The Club has vibrant and enthusiastic youths.

REDCLIFF:

Membership:55 (active members are hardly 20, this

means inactive members need mentoring, persuasion and encouragement to be useful Lions in this Club.)

Projects: Hubert Lee Park still offers accommodation to the aged.

The Cactus Poort Recreational area is being spruced up to become a user friendly and attractive area. Public speaking competition at Kwekwe High School attracted over 200 students from various Secondary Schools in Kwekwe, Redcliff, Zhombe and Gokwe rural areas. Public speaking is an ingredient of eloquent oral communication. Dr. Patricia Mapanda, District Chairperson for family and development is encouraging family membership for solid and enjoyable Lionism at most Lions meetings she attends.

KWEKWE

Membership:23 (one inducted on 29/10/2011.)

Projects: the Club is to supply a tea urn to the children's ward plus clothes for mothers with children admitted to use as change clothes. The Club requests for support in their preparations of their Golden Jubilee. The Club is in a joint venture of preparing a footbridge between Newtown suburb and Kwekwe CBD with Sebakwe Lions Club. The Club donated books to Mary Ward Orphanage and some eats.

SEBAKWE

Membership:25 (expecting two prospective members.)

Projects: 60 orphans were given gifts, enjoyed entertainment and were treated to food and cool drinks. In addition, 4 schools benefited a wall clock and a fruit tree. This happened through Sebakwe Lions / Kwekwe Indians League partnership. Gifts and food for each child cost \$15.00 making a total of \$900. Wall clock and fruit tree costs \$24 each bringing the total to \$96.00 given per school. Brought Cancer Awareness during Cancer month October in the local press, the Midlands Observer. This article was well received by the Kwekwe public. Wants to start work on the Club stand.

ZONE PROJECTS

The Zone has agreed to help in the building and repair work of Mbembeswani Primary School. The School needs cement, window panes and furniture for the class rooms.

The 'One Million Tree Planting Project' was officially launched in Kwekwe by SVDG Clever Mugadza on Saturday, 19 November at 10.30am. A total 80 trees were planted in Kwekwe and Redcliff. The Deputy Mayor of Kwekwe and Redcliff respectively were distinguished guests who participated in the event. Other dignitaries included Mr. Poto – Joe the Midlands Province Forestry Director and Mr. Abdula Miya representing the Indian women's League. The project was supported by the Indian women's League, Business and professional Community and individual donors. In total Zone 2E will plant plus or minus 2500 trees this lionistic year.

The Zone is rallying behind Kwekwe L.C.s. 50th Anniversary to make it memorable. Kwekwe sponsored Redcliff then Redcliff sponsored Sebakwe

Lions Club of Lobatse : Health Camp at Kgomokasitwa on Sat 12 Nov 2011

13 Lions and a Prospective Lion from Lions Club of Lobatse conducted a health camp at Kgomokasitwa village approximately 40 Km from Lobatse on Sat 12 Nov. Over 50 eye glasses were distributed and more than 300 patients tested for BP, Sugar, Eye-sight, AIDS and Pap Smear.

The theme for World AIDS Day 2011 is 'Getting to Zero'. After 30 years of the global fight against HIV/AIDS, this year the global community has committed to focusing on achieving 3 targets:

"Zero new HIV infections. Zero discrimination. Zero AIDS-related deaths".

World AIDS Day provides an opportunity for all of us - individuals and communities to take on the challenge of getting to zero

The red ribbon is an international symbol of AIDS awareness that is worn by people all year round and particularly around World AIDS Day to demonstrate care and concern about HIV and AIDS, and to remind others of the need for their support and commitment.

Have you played your part as a club ???

MEDIC ALERT UPDATE

As a matter of interest as well as having collectors all over town rattling their tins, Medic Alert have also set up an ASK ME DESK at Sam Levy 's Village, a popular shopping spot here in Harare. Medic Alert continues to grow in membership, albeit slowly, no doubt due to the current worldwide economic situation. As I have said on numerous occasions, any Lions visiting Harare wanting to know more about Medic Alert, are always welcome to call on our offices, situated at Emras Ambulance Services in Baines Avenue, opposite the Avenues Clinic.

On my usual hobby horse, I regret to say that we still have Clubs, who have pledged monies at our District Conventions and have still not honoured them. Maybe naming and shaming them, might have an affect. I have sent numerous emails, in some cases over the years and whilst this has brought some results ,there are still the following Clubs with outstanding pledges.

<u>CLUB</u>	<u>2009.</u>	<u>AMOUNT.</u>
Lions Club of Capital City		\$ 100,00
	<u>2010.</u>	
Lions Club of Wankie Lwendulu		\$ 40.00
Lions Club of Nyanga		\$ 50.00
Lions Club of Mutare		\$ 50.00
	<u>2011.</u>	
Lions Club of Wankie Lwendulu		\$ 150.00

I am appealing to the those Region and Zone Chairs whose jurisdiction covers the above Clubs, to endeavor to have these amounts settled before the end of 2011.

Remember Lions, delegates attending District Conventions and making pledges on behalf of their Clubs to Medic Alert, should have their Clubs ' prior authority to do so. If not paid at the Convention, payment should be made, at the latest, within two months of returning home, after the Convention.

Lion representatives have been appointed by the District Governor in Botswana, Malawi and Bulawayo and it is hoped that with this move, membership in Medic Alert in these areas, will increase at a faster rate than we have experienced in the past. We currently have some 44,500 members, let us make it at least 45,000 before the end of our Lionistic Year.

PDG LION MIKE MOLYNEAUX.

DISTRICT CHAIRMAN
MEDIC ALERT FOUNDATION

HO HO HO ! !!!! MERRY XMASS

Our Khumalo Lions' Trenance Feeding scheme ended yet another year with a Christmas Party when 300 children enjoyed a curry and rice lunch with quarter oranges afterwards and packets of sweets and biscuits distributed by Father Christmas.

We had a good showing of LION helpers including two LIONS from Pennsylvania who are spending 6 months in Bulawayo and are keen to be involved in our activities. We were fortunate that an ex Lion from Zvishavane agreed to assist by getting a donation of chickens and kindly cooking 25 chickens in a delicious curry sauce. Our ladies at Trenance cooked 14kg of rice and our first Lady President, Lion Thembi also cooked 14 kg. As usual there was not a scrap left and children were queuing to scrape the enormous pots.

We have been so fortunate with a group of ladies who volunteer a day a week during school term time to prepare generally 25kg of sadza, plus the relish of sugar beans, soya meat and a good selection of vegetables. We had hoped that the need might have diminished by the end of the year but, unfortunately, there seems no sign that this is happening. In truth food is needed more than the once a week but we could not cope with more. We have embarked though on trying to provide two additional classrooms for the school which has had little extra classroom facilities fadded since the days when the intake was 50 a year but now stands at 500. We are also hoping to be able to help them increase toilet facilities from the current 2! Should we suffer a cholera outbreak or similar things could be catastrophic there. Money in that area remains in very short supply and currently there is little community spirit so everything is an uphill battle for the Headmistress who is desperate to provide better for the children. We have watched improvement in the children in the three years this project has been running but there is great concern that many of the children from the squatter camps arrive having had no food so struggle to keep up energies for a whole day's lessons etc. The situation remains very unsatisfactory in many areas still yet Trenance is just 8kms from the centre of Bulawayo.

Any assistance in any way which can be offered by any other Lions Club will be much appreciated.

LADY LION JULIET RICKWOOD

LION SILAS "AKA SANTA" IN ACTION

Thoughts To ponder

If you are busy being afraid of anything, it is very likely to happen to you.
Familiarity fosters appreciation
Thoughts become things.
A happy thought becomes a smile.
A tired thought becomes a yawn.
Today you better obey,
tomorrow you may be giving orders.
Trying experiences and unhappy situations all contain lessons which persons must learn sooner or later
Think about it !!!!

Merry Christmas

*A sincere Thank you for
your Kindness and Support during 2011.
I wish you
a Blessed Festive Season
filled with Peace, Love, Joy and Understanding.*

*May 2012 be a year
of Prosperity, Good health and Productivity
for you and your Loved ones.
May ALL your aspirations be met in 2012*

*Best wishes from
Your District Governor
Frances Palmer & her family
LCI D412*
