

# DISTRICT 412 NEWSLETTER

2007 - 2008

**DISTRICT GOVERNOR** RAY DAVID SIBANDA

## **FELLOW LIONS, GREETINGS,**

I would like to sincerely thank all of you for the trust and confidence you have shown me by allowing me to lead the District for the year 2007-2008. It is indeed a great honour and challenge for me. I accept the position of DG with humility.

I grew up in Gweru the City of progress, which is at the centre of Zimbabwe. Our symbol is the Boogie Clock, which towers at the city centre. It is this symbol, which inspired my vision of the Eagle.

My theme is "Aim High to Effect Change, Dream, Decide and Do". I believe like an eagle we must soar high to a vantage position from where we can scan the horizons and the panorama of the area we seek to conquer.

Our vision Fellow Lions is unmistakable. The growth of our organisation has been well defined and our targets are sure. Our Aim is to have in Botswana, Malawi, Mozambique and Zimbabwe 208 new members by February 2008. In this regard I expect each country region chairperson to ensure that this target is achieved. Simply put each one of our 68 clubs needs three new members for us to achieve this goal. In line with our international aims, 30% of these new members should be women.

Having patched ourselves high we will be able to see the needs of the communities and make decisions as well as take calculated and swift action to address these situations.

Above all, it is our aim as a district to ensure that Lionism is not only seen but also felt through our Vision, our Activities and our Image.

To ensure continuity, we must revive Leo Clubs in our district and develop them to their maximum potential.

If we will be able to successfully implement the International President, Mahendra Amarasuriya's theme "Challenge to change", then we need to Aim higher to effect meaningful change to the community that we serve and to our organisation.

Lion Lady Sharai and I attended the 90<sup>th</sup> International Convention in Chicago, Illinois, USA, starting with the DGE seminars, from 28<sup>th</sup> June, 2007 up to 2<sup>nd</sup> July, 2007 when the convention started to 6<sup>th</sup> July, 2007.

It was indeed a wonderful experience for both of us, an experience we will cherish.

Everyone says, "How the time flies". The days go by and they are years, and the years finally become our whole life. Each daily portion can be wasted, or it can be a pleasure, before it is gone forever. If a bedtime review of the day concludes that we were too stressed, too busy, didn't accomplish anything, didn't have any fun, then it has been another lost piece of precious life.

Each one of us joined the organisation as an individual but together we have progressed this far by sharing our knowledge, experience, skills and in the process, equipped ourselves with positive attitude to give our best to the community we live in under one common Motto "**We Serve**".

The commitment shown by you, fellow lions has given me motivation of the highest order and thanks for the same.

I will try my best to deliver as per your expectations, but remember, if there are any shortcomings on my part, they are not deliberate, please continue to keep me motivated, I value your support.

Let me once again whole heartedly and with folded hands and a broad smile extend to each one of you, a hearty welcome to the year of "**CHALLENGE TO CHANGE**". **GOOD LUCK!**

Yours truly,

**Ray Sibanda – District Governor 2007-2008**

# CHALLENGE TO CHANGE

## HIGHLIGHTS OF THE 2007-2008 INTERNATIONAL PROGRAM

The core elements of the Challenge to Change international program are:

1. **Challenge to re-brand Lionism** to present a dynamic flexible organisation with a membership growth plan focused on potential members younger than 40 years old and women members. Club presidents and vice presidents are challenged to develop a 4 year strategic plan for membership growth.
2. **Challenge to grow** by 20,000 quality members, with specific target goals for each geographic area. A special Team 20K team will facilitate development of membership growth plans, provide support and monitor accomplishments.
3. **Challenge to develop new leaders** by using modern techniques, conducting innovative leadership institutes, and increasing participation in e-learning.
4. **Challenge to extend 1250 clubs** that will invigorate the organisation by adding members younger than 40 years old and women members
5. **Challenge to enhance the LCIF funds** by increasing the number of Melvin Jones Fellowships to 400,000
6. **Challenge to raise CSFII funding** to the challenge goal of US\$200 million
7. **Challenge to revive and develop the Leo movement** to its maximum potential
8. **Challenge expand the Lions Quest Program** to 50 countries
9. **Challenge to re-structure the public relations efforts** globally and promote a re-vitalised brand image of Lionism. Clubs may contribute by conducting signature projects based on local needs. The purpose of Lionism should be known widely on a global level through effective local initiatives to develop public relations programs.

**Challenge to change**, an ambitious and visionary program, establishes direction for clubs and districts worldwide. In addition to the core program elements, clubs or districts may choose to work toward the following optional goals, which are part of the United Nations Global Compact Program to achieve the Millennium development goals.
