

Derrick Bulawa, CEO and general manager of BEK Communications and Mary Graner of Ladies with Another View drove from Steele to celebrate St. Patrick's Day in Zeeland with Zone chair Crystal Dueker and 5NE DGE Scott Hildre from Fargo Gateway Lions

Zeeland President David Silbernagel showing his zippy energy.

Was that a Leprechaun or a Lion Zipping in Zeeland?

By Crystal Dueker

Zone 8 chair/Fargo Gateway Lions

On St. Patrick's Day, the Zeeland Lions club sponsored a chili cook-off fundraiser, with all donations going toward their Park Shelter Refurbishment project. At 5:30pm, a flashy fellow wearing a sparkly green shirt, sequined green tie, topped by a spangled green hat entered the 3 Mile Inn smiling and waving to everyone as he zipped into the chili room.

A lady holding her green

beverage twisted around on the stool and asked "Was that a leprechaun?" "No", I laughed, "that's just Dave Silbernagel, he's the president of the Lions club checking on those 8 delicious pots of chili."

DGE Scott Hildre and I were in the area for my Zone 8 meeting in Linton on March 16th. Lion Scott wanted to show support for the Zeeland Lions.

Impact to a small town

Can you imagine the EX-

CITEMENT in the hearts of these Zeeland Lions as over 100 people attended their event, feeding the local economy and their own donation box? Can you imagine the members JOY as other donations arrived from various small town Lions clubs? To me, it is an example of FELLOWSHIP as one small town's Lions club donates some of their financial success beyond their boundaries in support of another Lions club's community project

over 200 miles away.

Success

Not only have the Zeeland Lions reached 60% of their goal, but Lion Millie won \$100 for the best chili, donating her winnings to the project. Thank you, Lion Millie! THANK YOU to those clubs who donated to the Zeeland Lions Park Shelter Project to help refurbish a wooden structure constructed back in 1995 by the Zeeland Lions on land donated to the community.

Spring time, dog time, clean-up and fix-up time with friends and tail wags

Lions and Lions Clubs have been active supporters of the Service Dogs for America in Jud since it began in 1991 when Lion Edward W. Duden donated the land. The main work of the school is to prepare service dogs for people – something the staff devotes itself to doing every day. Dogs are trained for military veterans, and for people who need mobility assistance and emergency medical response. They are also trained for facilities such as nursing homes and courtrooms and for career change.

May 7th is the annual Spring Clean-Up Day at Service Dogs for America. Bring your work gloves and favorite gardening equipment, including hand trowels, weed whackers, shovels or whatever else you can think of. Volunteers are needed to keep the school in great shape. SDA sits on 10 acres of land on the south edge of Jud with 7,200 square feet of training and canine housing, 2,000 square feet of exterior kennels, 3,200 square feet of exercise yards, two client cabins, and 12,500 square feet in

Lions Memorial Park. That's a lot of area to not only maintain but keep making better for clients and dogs.

We can all work together to help people in need of a service dog have a better quality of life by making the physical facility of Service Dogs for America safe, comfortable and serene. When volunteers come in and help with physical plant maintenance, we make everything better with our service.

Food is provided for volunteers for Spring Clean-Up Day. The Davenport Lions are

donating funds toward food for the day and others bring goodies. The Jud Lions provide flowers that are planted by volunteers.

If you would like to donate or get more information about Spring Clean-Up Day please contact the school at 701- 685-2242. This event really helps the dogs and staff so come and work with friends and fellow Lions. Please call and let them know you are coming for Clean-Up Day so they can plan enough food and treats!

Horace Pancake Breakfast

The Horace Lions along with the Horace Girl Scouts served another delicious Pancake Breakfast to the community in March. It was a well-attended event. Each year the Lions partner with the Scout groups in Horace to provide a venue for the community to gather to enjoy breakfast, meet new and old friends, and have a relaxed morning. The main benefit, besides fund-raising, to each of the Scouts is the experience they receive in

dealing with the public, how to interact with them, and to gain confidence in their future endeavors. The Horace Lions wish to thank the leaders and parents that help with the event, but mostly to say "JOB WELL DONE" to the scouts that do a tremendous job in set-up, serving, and clean-up. This partnership has served the community, Horace Lions, and the Scout groups well for many, many years.

5NE DISTRICT GOVERNOR'S REPORT

Greetings, fellow Lions. It has been an exciting and challenging year so far. Our district governor team has been busy visiting clubs, inducting new members and presenting awards. The things I enjoy the most are meeting new Lions, hearing about their club projects and learning the history of each club. Particularly, I enjoy providing clubs with the LCI resources they need to be successful. Our district governor team meets weekly via Zoom to discuss clubs' successes as well as their needs and concerns for moving forward. I contracted COVID in late January, and as a result, some visitations had to be rescheduled.

I'm happy to report that our service reporting in 5NE increased from 38% to 53% from January to March. We have a ways to go to achieve our goal of 80% by June 30th, but we are on the right track. Our total membership showed an increase of ten new members.

Our third Multiple District 5 (MD5) Council of Governors meeting was held in Minot, ND, March 25-26th. We were finally able to meet in person with our Canadian Lion friends. The next MD5

Convention, will be held at The Resort at Cypress Hills in Saskatchewan, May 12-15, 2022.

Our Spring Rally was held in Jamestown, ND, on Saturday, April 9th. Training sessions were conducted for our club officers and zone chairs. Our Keynote speaker was PID Pat Vannett. She always motivates and educates with her knowledge of Lionism. Thank you, Lion Pat.

Red River Lions Club in Grand Forks and the New Rockford Lions Club recently became Model Clubs, CONGRATULATIONS. Two more clubs are in a good position to make the Model Club commitment. I will be visiting them soon, as they may not know how close they are.

One of the most important goals for district and club success is often overlooked. That goal is: TO REJUVENATE EXISTING CLUBS AND TO INCREASE MEMBERSHIP SATISFACTION. We put considerable emphasis on increasing membership; we should equally be concerned with MEMBERSHIP RETENTION. Lose one member and

you need to bring in two new members to show a growth.

When was the last time your club conducted a 'Membership Satisfaction Survey'? I would venture to say most clubs have not conducted one for several years, if ever. Concerns usually come up when a club is experiencing some form of difficulty. If these concerns are not properly addressed, members may become inactive and eventually stop attending meetings. If this happens, assigned club members should call those frequently absent and ask them why they are not coming. I have found that the most successful clubs in our district conduct membership satisfaction surveys every 2-3 years. WHY NOT YOUR CLUB? Find out what talents and projects your new and more veteran members have and want, respectively. It's possible that some members feel that they are no longer important to the functioning of the club. It is important to keep your members active and engaged. If you do this, RETENTION WOULD NOT BE THE ISSUE THAT IT IS.

The following resources can be downloaded from the LCI website: (1) Blueprint for a Successful Club, (2) Club Quality Initiative, (3) Membership Satisfaction Guide, and (4) Your Club your Way. Your district governor and zone chairs can also provide these materials. If your club does not meet during the summer, now would be a great time to do a membership satisfaction survey. This way your club could be off and running in the fall.

As we enter the last quarter of our Lions year, I hope all Lions and their families enjoy the spring, stay safe, and keep serving their communities.

Feed My Starving Children

Several South Forks Lions participated in the Feed My Starving Children food packing event in Grand Forks on March 26th. The event packed thousands of meals that will be in the hands and stomachs of hungry

people worldwide within 3 weeks. Thank-you Lions and thank-you to all the wonderful volunteers who participated. A big shout out to Lion Bruce Storhaug and his wife Jodie for spearheading the Grand Forks effort.

Soups up!

It was a warm welcome on Sunday March 13th with the Davenport Lions Club. They were preparing to serve delicious soup to the locals for the soup luncheon. People came from all around to support their local Lions Club and enjoy a free will donation lunch with their community members. Though Davenport is a small town, they were prepared to serve a large crowd, and that they did! With over 100 people coming through and 9 dif-

ferent kinds of soup, it was a huge success for this little thriving club! Beer Cheese, Knoephla, Chicken Wild Rice, Vegetable Beef, Cheddar Potato, Chicken Tortilla and the list goes on!! There was a different kind of soup for everyone. In the background, Lion Stephen was flipping some grilled cheese to pass off to Lion Ted to deliver to the attendees to accompany their soup. There was a spread of cookies to top off the hearty meal, along

with some refreshing beverages.

Locals sat and visited and enjoyed their meal while kids played. They also had a game board to win prizes! Kids and adults alike picked a number and wrote their name under it, with hopes that their special number would get called. Toward the end of the event, numbers were drawn...stakes were high and kids were anxious! A number was drawn... WINNER!! "Number 32! You've won a

basket full of outdoor games and snacks!" Next one, "Number 6! You've won an art basket!" The prizes kept being handed out. "1st prize winner of \$200 goes to number 45!" Everyone was happy and full. It was a very successful day for the Davenport Lions Club. Lions club and community members joined together to make this event a success. Until next time.

5NW DISTRICT GOVERNOR'S REPORT

Greetings Fellow Lions,

I hope all is well in your lives and that by the time you read this letter, the weather is warmer, and, for Western North Dakota, I pray that we've received much needed rain. As of this newsletter, I know many of you have made plans for your summer activities. I wish you all great success, and safety, with all that you have planned.

As I'm writing this, we've just finished up the 5 NW Spring Rally in Wilton. Thanks to the Wilton Lions for sponsoring this event, and to the Washburn Lions, for assisting them. Congratulations to DGE Jeanette. You did a great job in planning all the activities. It's always so wonderful to see those Lions that attend. Everyone was very complementary on the whole event. To me, anytime Lions are together, it is always a great event. There is so much information that can be learned and shared at events like this. My only negative comment is "why don't more Lions attend"?

When I speak to Lions Clubs, one of my messages

is to become a better Lion. To become a better Lion, I believe you do so through knowledge of Lions. The more you know about all the things that Lions do, the prouder you will become of this great organization. We are simple in our roots; all we do is serve! You can serve in many ways, like all the things you do in, and for, your community. Your support of Zone, District and Global projects is also very important. From the Lions Foundation's first grant back in 1972 for \$5,000 to assist in the flood in Rapid city, SD, to today, assisting clubs in Poland and Ukraine, and everything in between. We just give of ourselves to help others. Thank you for all that you do, over and over, again!

Being proud of what you do is very important. Without pride in being a Lion, it is much harder to invite others to join us. If you don't believe

in what you do, you would feel uncomfortable asking others to join your club. I encourage you to look at all that you have done through Lions and what it has meant to you. It is so important to our future that we ask others to join us. Imagine what your community would be like without your Lions club! We are seeing many clubs in our District that are getting close to 100 years old. What an accomplishment that is! Can you imagine all the things that we've done because of those clubs? How much money was raised just to give back to others? What is the impact on people receiving the benefits from a local Lions club over the years? We work as Lions, we have fun, we help others and, for some, we have changed their lives.

What can it mean to a student winning the Peace Poster Contest? What does it mean to someone because

SCOTT J. RESSLER

701.955.8693 • sressler1954@gmail.com

the local Lions Club helped a family in need with food or funding a pair of eyeglasses? How did your Club impact a family because of a fundraiser you did? We've seen how something as simple as helping with the vision testing for kids can change their lives. What if Lions were not doing that? Many Lions have been impacted just because of being involved and helping others. All these wonderful stories are good to talk about.....not to brag about, but to share and be proud of what you and other Lions do. I hope that remembering how important Lions are will be the reason for you to invite others to become a Lions member. Remember that you only became a Lion because someone invited you!

Successful Service in Zone 8

By Crystal Dueker
Zone chair

It was exciting to gather at The Grill in Linton with club officials from across the zone and introduce them all to DGE Scott Hildre as they shared the details about their service projects.

These are examples of service being accomplished across Zone 8:

1. President Brady Weber remarked a key strength in the Linton Lions is having numerous members able to serve on various committees and showing up for all their projects. (Meals on Wheels, Food Pantry, Demolition Derby, and Dairy Days)

Secretary Dan Weber remarked the calendar created by the Linton Lions is so successful that local residents start making phone calls after the start of January asking when the new version for the year will be ready.

2. Treasurer Dean Weiss from Hazelton Lions discussed how the club donated a service gift to the community with Valentine Bowling.

SPUR OF THE MOMENT WITH 5NE ZONE CHAIRS: While on their way to the March 16th Zone meeting in Linton, 5NE DGE Scott Hildre (left center) and Zone 8 chair Crystal Dueker (right center) stopped in Jamestown to visit Zone 5 chair Jamielee Cunningham, Walmart Vision Center Manager (left). Zone 7 Chair Mark Butler (right) showed up at the same time for his vision needs.

The June community picnic is in the works.

3. Treasurer Gary Silber-nagel from Strasburg Lions spoke about their 149 Valentine meals donated to the local ladies as their community service. He added that they served 150 Mother's Day

meals to the local women last year and hope for another similar event in May.

4. President David Silber-nagel from Zeeland mentioned he is preparing to become the next Zone 8 chair and will be attending the Spring Rally in Jamestown

on April 9th. He mentioned fundraising success this winter with bingo games and pinochle tournaments.

Secretary Gary Wolff mentioned the excitement throughout the town about the St. Patrick's Day chili cook-off.
