

Lake Metigoshe Melt Contest

Every year the Lake Metigoshe Lions Club hosts a contest to guess when the 'Can' will fall completely through the ice on Lake Metigoshe.

People can purchase a ticket(s) for \$2.50 and make their guess(es) by April 1. The closest guess wins the 50/50 jackpot. This is one of the Club's major fund-raising projects and it's been a border tradition since 2000.

Last April, the winner Karry Greene (Minot) received over \$6,400, and it came as a timely blessing. He had a motorcycle accident earlier that summer and the medical bills had started to arrive in the mail.

Anyone around the U.S. can have the opportunity to make their guesses and see the 'Can' on a live webcam at www.metigoshemelt.com. Hint: the 'Can' weighs approximately 700 pounds and weekly ice measurements are posted on their Facebook page.

Women are BLOOMING in Lions

by Crystal Dueker
MD5 New Voices Coordinator

March 8th was International Women's Day and is the perfect time to reflect on the impact of women that have joined Lions since 1987. Many clubs enjoyed the volunteer spirit of women, prior to them joining Lions,

including volunteers from Lioness clubs assisting with service projects alongside the men.

Did you know the first female District Governor from South Dakota was Lynn Moran in 1994? In 1997, the first female District Governors from North Dakota, Dolly Alef and Dorothy Polson,

served the same year. The first female District Governor from Saskatchewan was Louise Ferniuk in 1998. Now, numerous women have served as District Governors, leading the clubs in their district through service in their community and support of Lions causes.

During those years, some

of the Lioness clubs transitioned into Lions clubs with their female members becoming a District Governor. Marion Johnson, a Bismarck Prairie Rose Club member, is an example as she became District Governor in 2005.

BLOOMING continued on pg 5

Jail Chaplains Ministry program helping others

Gerri Leach, Jail Chaplains Ministry Board of Directors, was the speaker at the Gateway Lions Club meeting on January 28th. She talked about the ministry of the program. 85% of the inmates are there because of drug related issues. The goal and purpose of the program is to help individuals right their lives. The program uses the Bible to help inmates get a fresh start. Lesson sheets help inmates solve “LIFE CONTROLLING PROBLEMS”. The program, which is in the Fargo-West Fargo areas, works closely with the Cass County Sheriff’s office.

Shawn Gebree, a recovering addict, also addressed the group. He had been in and out of prison for many

years and had contemplated suicide. Then he found out about Jail Chaplain Ministry. He has been drug free for four years, is leading a

constructive life and owns Babb’s Coffee Shop in downtown Fargo. He feels he owes his new life to Jail Chaplain Ministry.

Shawn Gebree talks about how his involvement with Jail Chaplains Ministry helped in his addiction recovery.

How to Tickle a Lion

By Service Chair Crystal Dueker

On February 11th, the local floral shop in Ellendale had seven roses in their vases tucked inside a box, waiting to be delivered to various Lion members in town. Lion Karen Hoffman and her husband made the deliveries. President Andrew and Lion Ruby each got their gift at their homes and then it was on to Lion Jan's apartment. The next deliv-

ery was to Sec./Treas. Don, who smiled while co-worker and new member Wonada said "I am tickled pink!". The last rose was also a gesture of welcome to the club to new member Lion Dawn. Her joining is all the more special since her grandfather had been a Lion and grandmother had donated her eyes to help others. Dawn and her husband, Keith, are joining to carry on the tradition of serving others.

A big "Thank you" goes out to Lion Karen for being the hands to deliver these gifts of love and fellowship to Ellendale club members. It was a gift in appreciation for their continued efforts this year to help their community. One example is the Ellendale Lions recent donation to the school teachers to use for items needed by their students.

I hope these Lions are all "tickled pink!"

Blooming

continued from page 1

In 2016, Eunice Cameron, from Regina, became the first female Council Chair of Multiple District 5. Pat Vannett became our first female International Director, serving from 2017 to 2019. Worldwide, in 2018, Lions International celebrated its first female President, Gudrun Yngvadottir from Iceland.

Over these past decades, there has been continuous blooming of representation by women, standing shoulder to shoulder with men to serve others in need.

If you are attending the Cypress Hills, Sask. MD5 convention, you will see for yourselves the wide array of men and women of all ages in Lions from across each of our six districts that are ready to serve. It will be exciting to gather again in Canada and shake hands as International Lions members.

5NE DISTRICT GOVERNOR'S REPORT

Greetings Fellow Lions. The following is a message from our International President, Douglas X. Alexander. "From now to the end of our Lions year, let's focus on strengthening our clubs with the incredible connections we share. Encourage each other to grow to their full potential as Lions and community leaders. Remember, as we give our service from our hearts, the best is yet to come."

In step with IP Alexander's encouragement, we have an opportunity to attend our 5NE Spring Rally in Jamestown, ND, on April 9th. Besides learning what your district is doing, there are training sessions for zone chairs, presidents, and secretaries.

In February I visited Lions Clubs in Zeeland and Lehr, ND. Both clubs are active and are doing great things in their community. I inducted one new member in Zeeland. Lehr Lions were celebrating their 48th anniversary when I attended, and presently they are planning for a comprehensive membership drive.

NOTICE: Now is the time to establish your slate of officers for the 2022-2023 Lion's year. PLEASE make your selections in March and prepare to VOTE no later than March or early April. RECORD your new officers with LCI between 1st to the 15th of May. Since LCI needs to update new officers from 46,000 clubs globally...don't wait until June to do this. In June, the LCI website shuts down for a while to update their database. DON'T miss out in getting your officers recorded for the 2022-2023 Lions year. This will also allow you to get your officers included in next year's 5NE district directory.

JOE SOWOKINOS

3501 7th Ave N, Grand Forks, ND 58203
701.739.2467 • joe.sowokinos@gmail.com

LCI has reported that 17.5 million lives have been impacted globally in January. That is with 46% of clubs reporting. Imagine what the numbers would show if 100% of clubs responded. Our district 5NE is below this average at 38%. In February, I conducted a Zoom session with Zone Chairs on the process for recording service to MyLion. They should now be able to assist club secretaries with the process. For those club secretaries still not able to enter service on-line, for various reasons, THERE ARE TWO OTHER OPTIONS. (1) If your club has a Service Chair, that person can report service hours; (2) If your club has no Service Chair, A 'Club Administrator' can be appointed. Once the Club Administrator has been listed along with the other officers on the LCI website, that person can enter your club's service activities.

An added feature this month is to get to know our DGE Scott Hildre from Gateway Lions in Fargo. He was born in McVillage ND and attended high school there.

He played all sports but preferred basketball and football. He developed a sense for business while working at his dad's General Store in McVillage. After high school, he attended Mayville State University and the University of North Dakota. While in Grand Forks, Scott learned the ins-and-outs of running a business while working for Sam Silverman at Silverman's Men's Clothing Store. Eventually he became manager of Richman Brothers Men's Store at West Acres in Fargo. Scott was successful in leading the store from 18th to 1st in the region. Later he became Assistant Manager in charge of Marketing at West Acres. After his employment at West Acres, he held several sales positions in radio and television. The remainder of his professional career was in real estate. He did this for twenty years and retired in 2019.

Scott has been a Lion for 46 years and was a Deputy DG during the years 1987-1988, when the system was slightly different than it is now. He has received numer-

ous Lions awards. A couple are, Lion of the Year Award in 1990 and a Dedicated Service award from the Lions Foundation of ND. Lion Scott was the first member of Gateway Lions to receive a Melvin Jones Fellowship. He has held all club offices as well as zone chair and Guiding Lion. As DG, he will stress membership and establishing new clubs.

Scott married his wife Miriam in 1981. Being a parent and grandparent is special to Scott. He has three children and seven grandchildren. As in Lions and life, Scott feels he has been blessed and believes in giving back to those who are in need.

The Lions baked eleven unique cakes each with their own theme. The cake auction raised \$1350 which will be donated to the Jud Service Dogs of Jud, ND.

5NW DISTRICT GOVERNOR'S REPORT

Greeting Lions

Wow the Lion year is flying by so fast. The good thing is that the weather is starting to get a bit warmer, and that is very good.

Hopefully by the time you read this article you will have received information on how to contribute to the 5NW Gateway to Science fund. This is a big commitment for us all and one we all can be proud of. I'm so excited to see what our Lions Eye exhibit will look like. We recently did free vision screenings at a family day event held at Gateway to Science. It was really a blast, and I can tell you that we had many people come by and say their kids had the screening already by Lions and "thank you Lions for what you do. It is great". I'm positive that our display will make us all very proud. Not only will people see the Lions name, and information when they visit the Gateway to Science building, but they will also see us with our mobile display as it trav-

els around the state. We are hoping that local clubs will be able to volunteer as the Gateway to Science mobile van comes to a location close to you. We'll be sending out information letting clubs know when and how they can volunteer for the great program.

For those clubs that will be contributing to the program, you will be able to do so by sending your check directly to the bank where the account is. We are setting up a separate account for this fund, which will allow us easily monitor the account activity and make it easier for us to provide the information to LCIF for additional grant money for the program. My goal is that each club will donate \$100 a year over the next 5 years. I'm being realistic and I understand some clubs may not be able to do-

nate that amount, but I know other clubs will make larger contributions. I only ask you to consider this cause.

I'm also working on getting out a report to clubs about funds that are sitting with LCIF. The list I will be sending will have names of Lions that have a balance at LCIF. Many Lions are close to a Melvin Jones Fellowship and a small contribution will bring them up to the prestigious recognition. Many have small balances, and the Lion can continue saving for a MJ Fellowship or decide to give it to another member or the club. We in 5NW do such a great job contributing to LCIF. If in fact, we were able to turn in all the funds that are just sitting with LCIF, we would be able to award 190 Melvin Jones Fellowships, can you imagine that? I will

SCOTT J. RESSLER

701.955.8693 • sressler1954@gmail.com

get this information out to your club President and Secretary by email. Please consider having a club discussion about these funds and let's make the most of them!

Now with the weather getting warmer, we are all looking at more club activities and that is great. We can't forget our motto "We Serve". With all we went through the past couple of years, we all need to plan for activities that will serve our communities. What a great way to bring in new members by inviting them to a service project. Let a new prospect get involved and you have a great chance of them becoming a new member. Have a wonderful Lion spring!

Yours in Lionism,
DG Scott Ressler

Even if you have been to a Spring Rally before or if you think you know all there is to know about being a club officer, please join us. We promise to give you something new to take back to your club. Come and meet your District Governor team!! Let us know how we can help you as a Lion or your Club with any issue. You will also have the opportunity to meet other club officers from your zone and your district. Let's talk about issues you or your club may have and share ideas about service projects for fundraisers. We can all help each other to be better Lions and to embrace our Motto "We Serve".

We will have breakout sessions for Club Officer Training.

Bridging the Gap through Service

You do not want to miss out on an awesome opportunity to get together with Lions of 5NW! We have a great speaker along some great training scheduled and maybe even a service project. We need to break last year's attendance! WE CAN DO IT!
