UTAH LIONS FOUNDATION

The Foundation had somewhat of a slow year last year for requests for assistance.

Four requests were approved for a total of $4,100. This year at our first Trustee meeting we approved one for $2,486. Also at the first meeting we reviewed and approved our 2012-2013 budget and approved a donation to the Utah Lions Eye Bank of $20,000. Last year we reviewed both the Articles of Incorporation and the By-Laws to see what might need to be up-dated. Left the Articles of Incorporation as they were and made several amendments to the By-Laws which were voted on and approved at the MD 28 Convention. The Foundation is again working with the Walk With The Blind (WWTB),which is now a District 28-U Project, Fund raiser to secure donations for both the Utah

Lions Foundation and the Utah Foundation for the Blind. Hope you can get involved and help support this this project.
